

HEALTH & SAFETY DATA SHEET

1. IDENTIFICATION OF THE ARTICLE

PRODUCT NAME Ashfix Carbon Steel Fasteners

SUPPLIER Ash & Lacy Building Systems Ltd

USES Fixing metal cladding sheets and roof and wall support systems in new build and refurbishment

2. COMPOSITION

Low carbon steel heat treated and protected by organic dacromet coating

3. HEALTH & SAFETY PRECAUTIONS

- Physical size and weight of the delivered product will vary from delivery to delivery. Product is always packaged within weight guidelines, however good manual handling technique should always be observed.
- Fasteners if mishandled could cut skin.
- Do not place fasteners into mouth
- In its raw unused state, the product is not considered to pose a hazard to eye contact, skin contact, ingestion or inhalation.
- Safety precautions should always be followed in line with risk assessments and the particular application. It should be noted that drilling screws may create swarf when used, eye protection is recommended for this purpose.
- As with all instances where contact with asbestos is likely, special health & safety considerations need to be made. When drilling through asbestos type materials, it is likely that asbestos fibres will be released – without the necessary precautions in place, this may lead to ill health. Precautions should always be taken to protect the operative and any other person that may be affected by operations such as visitors and the public. Current legislation should always be followed and risks assessed and controlled.
- Usual hygiene practices should be followed after handling.

4. FIRST AID MEASURES

In the event of injury, seek a qualified first aider.

5. FIRE FIGHTING MEASURES

The product is considered as a low fire hazard.
Foam, powder, water may be used to extinguish.
Due to packaging, the product should be kept away from ignition / heat sources.

6. ACCIDENTAL RELEASE MEASURES

Not applicable

Issue : 1 February 03

Head Office: Bromford Lane, West Bromwich, West Midlands B70 7JJ Tel: 0121 525 1444 Fax: 0121 525 3444
